Last week we heard from Brad Burdick from the Mount Baker Theatre. The MBT has been growing steadily for the last 3 years, and is this year producing a Broadway Musical "Into The Woods", their first Main Stage self-produced, professional production. It will be playing October 5th through 9th.

Open House Celebration: On our fifth Thursday in September (the 29th) our 'extra' meeting is an open house celebration at the BGCC. The time is 11:45. Bring your friends and your friend's friends. Let's use this as a celebration of our current projects, future projects, and express our desire to serve one another and our community.

Our **Lions Wheelchair Booth** at the **NW Washington Fair** still has a couple days left of operation. When the fair is over, we'll be needing to get all those wheelchairs back to the Wheelchair Warehouse. So if you would like to help, show up at 8 AM on Sunday at the fairgrounds, where we'll have 3 vehicles ready to load the chairs into.

Visitation: The Sedro Woolley Corn Feed is on Monday, September 19th. It usually starts around 5:30 PM. Those interested in attending this fun group can contact Lion Don House at 733-3466.

Preparations for the opening of the **Frank Haskell Lions Eye Clinic** at the Lighthouse Mission's Walk-In Center are progressing at a good rate. We have 8 local doctors indicate their willingness to volunteer. Equipment is being acquired; much of it donated.

We will be looking for Lions volunteers to help with paperwork and routing of the patients as they come into the clinic. The clinic will most likely be running on Thursday afternoons. See Lion Ron Dickerson if you are interested in helping out in this capacity.

We have four **Lions recovering** from surgeries or other infirmities. Lions Biff Dickerson, Don House, John Bradshaw, and Ron LaVeille. Dale Koranda will be making his contacts/visits. You may contact him for more information.
