Thank You from MD19 Executive Secretary/Treasurer
No one is more generous with his or her time than Lions.
The most generous Lions are those from Bellingham-Central, Bellingham-Fairhaven and Bellingham-Harborview! Members from these clubs have helped around the yard at the MD19 Office and Bellingham-Harborview is always helping when we need someone to collate books etc! Lately, Bellingham-Central Lions Darrell Dobson, John Bradshaw, and Dale Koranda have mowed the lawn and spread lime to fight the moss. My son Bryce has done the weed eating! Marc Boucher, Dave Mueller and Ron Evans have worked an amazingly large number of hours in the basement cleaning, building shelves, remodeling the bathroom, fixing the lock on the garage door, etc. They have also built trellises in the garden, and fixed downspouts so that we don't have the Great Lakes in the basement every time it rains. The list is endless. John from Fairhaven just put the finishing touches on the sign out front. Dan Robbins dropped by with his chain saw and removed some of the ugliest pine trees known to man from our front garden and trimmed the tall skinny trees (I can't spell their proper name) on the north side of the office! John Hooley is repairing the ropes on the flagpoles out front. Thank you seems so inadequate and even though I know they don't expect more, I just wanted everyone to know how much I appreciate their help. They have all been wonderful. If I have left anyone out, please forgive me. Come back and work some more and I promise I will notice!!! Thank you, Lions. What a great group of people you are!

A pessimist, they say, sees a glass of water as being half-empty; an optimist sees the same glass as half full. But a giving person sees a glass of water and starts looking for someone who might be thirsty.
