From the Northwest Lions Foundation for Sight & Hearing:  
Today you made a little girl smile. Once she was going blind. Once her family faced the fear, uncertainty, and doubt of how to help her adapt to a life without sight.  
Now she can see clearly. She can read without getting headaches. She can see the board in class. And she is proud of the handwriting that was once “big and messy”. Now she has a second chance thanks to a cornea transplant and friends like you.  
Thank you for your powerful gift. Your support means so much to so many.  
Best wishes,  
Monty M Montoya, President & CEO
