Case of the purloined bell from Salt Springs Island

Despite a spirited and brilliant display of misdirection and counter accusation by Lion Rick Kowsky, The salty lads and lasses from the far north produced incontrovertible evidence that said bell did exist and picked it out of a lion up of bells provided. Rumor has it that since the April 22nd trial; our bell has now gone missing! To be continued...

White Cane Days 2010 Big Success!

This year's total collections, \$2100. This effort deserves an A+ for effort. Chairman Lion Janet Henderson was outstanding in her planning and execution of the two-day event. Just in case any of you wonder why we do this you should have been at Kmart on Friday when I had one of the over 11,000 corneal transplant recipients pick up her white cane as she was walking in to shop. The white cane on her lapel is the only one she needs to get around.

Lions Patty Allen, Gloria Hardan, and White Cane Chairperson Janet Henderson share a moment Friday May 7th

Recuperating

Lion Bob Graham is at home after some minor surgery. He'll miss a couple of meetings but we expect to see him back soon.

Food for Thought?

Time flies like an arrow; fruit flies like a banana.

Bacon and Eggs: a day's work for a chicken, a lifetime commitment for a pig.

The early bird may get the worm, but the second mouse gets the cheese.

You can't beat a pickled egg.

Do hungry time-travelers ever go back four seconds?

Lions eat their prey fresh and roar.
