

Bellingham Central Lions Hearing Program Application

Bellingham-Central Lions Club
P.O. Box 602
Bellingham, WA 98227

Dear Applicant

The Bellingham Central Lions Club and Northwest Lions Foundation are providing hearing tests and hearing aids for those in need.

The program requires you to pay a \$50.00 co-pay (no exceptions) to the audiologists who have agreed to the terms of the program and donated their time at a reduced rate.

All other costs are part of the program paid by BCLC and Lions Foundation hearing program. There are guidelines which include an application and proof of income from you. These both are sent to Bellingham Lions Club and are reviewed and approved or denied based on the guidelines from the Foundation.

We encourage all Bellingham residents who need hearing aides and cannot pay for them to apply and we will do our best to provide assistance.

Please complete the application, include proof of income and mail to:
Bellingham Central Lions Club (BCLC) attention Hearing Program Director
